

# 2025 PRIMETIME AA RETREAT

Friday, August 29 - Sunday, August 31, 2025  
Vallombrosa Retreat Center, Menlo Park, California

The Burlingame Primetime Groups of Alcoholics Anonymous invite you to a special sobriety retreat. Join us as we take this opportunity to leave it all behind for a weekend of fellowship, fun and recovery.

Our retreat leader Randy M. and other presenters will focus on the recognition of alcoholism as a living, mind-powered disease and how daily application of spiritual principles embodied in the 12-steps becomes a design for living happily sober. Along with impactful talks and Q/A, the program will include meditation and time for fellowship, contemplation and mindful movement.

Friday Night opens with Check-in and Welcome Dinner, followed by meditation and the first part of our program: the ABC's, Alcoholism, Ego and Self. We continue with the 12 Steps in application as a way of life through the weekend. The program ends at Noon Sunday, followed by a fellowship lunch.
